

Annual Newsletter 2025

Annual Meeting: Saturday in August (Aug 9th) at 9am at the Lake Beauty Bible Camp. All current and prospective members are invited. The meeting will review the focus of the Association from the previous year and what is upcoming.

The Lake Beauty Association is a committed group of residents that values our lake and understand its fragile nature. We not only connect and socialize with our neighbors, but we also take action to protect our beautiful community. Our group includes both permanent and summer-only residents. No one knows Lake Beauty like we do! The Lake Beauty Association was established in 1991 by residents and property owners who were passionate about the lake and its future. Today, the Association remains committed to maintaining the quality of our lake, one of the best kept secrets in Central Minnesota. Lake Beauty covers 238 acres, with an average clarity of 11.2 feet. This makes it perfect for swimming, fishing and all around family fun.

Why should you come to the meeting? Coffee and Doughnuts, Door Prizes! Great speakers! A chance to meet or catch up with others from our lake!

Fishing opener: May 9! Lake Beauty DNR Fishing regulations can be found at:

Missy and Mike Aaker (lake address: 25959 Hunter Trail)

Missy and Mike are the co-Vice President

We purchased a lot on Lake Beauty in 2018, fulfilling a lifelong dream for both of us. The fact that our dream was realized on Lake Beauty makes it even better. To explain, Mike and our kids grew up spending a week at the Bible camp each summer, and later, our son was on staff at LBBC for four more summers. Likewise, our family spent the 4th of July along the shores of Lake Beauty while our kids were growing up.

We hope to continue those traditions with our son and daughter, their spouses, and our five grandchildren. There is nothing better than a fresh cup of morning coffee on the dock, the soothing call of the loons around the lake, the brilliant color of a summer sunset, and of course, a peaceful campfire to punctuate the end of a perfect day.

Christy and Quentin Garlets (lake address: 26526 Ivy Dr.)

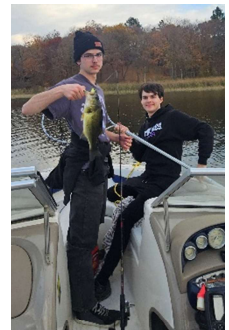

Quentin and Christy are the co-secretary/treasurer.

This will be our 5th summer enjoying the peace and wonders of Lake Beauty. When we are not at the lake, Christy works as a Nurse in Waconia and Quentin is a Business Architect for Life Time.

We are the proud parents of 2 young men. The oldest is working on his Mechanical Engineering degree at Michigan Tech and our youngest will graduate this spring from Waconia High School before

heading off in the Air Force.

We are at the lake many weekends and enjoy fishing, quiet afternoons reading, and sipping wine by the firepit. We also enjoy watching the wildlife and of course the northern lights! We encourage visitors from our fellow lake friends.
